Wild Things Sanctuary (WTS) is dedicated to helping native wildlife through rescue and rehab of debilitated, orphaned and/or displaced animals until they are ready for release into the wild. WTS also aims to provide a sanctuary for non-releasable native animals. The sanctuary is committed to improving the well-being of wildlife through public education with a focus on safe and peaceful coexistence between humans and wildlife while emphasizing the importance of wildlife to human life and the environment we share together.

WTS could use your support. Contributions are tax deductible. Contact Victoria Campbell at:
